

GENERAL PROCUREMENT NOTICE

INVITATION TO EXPRESS INTEREST IN OUR 2026 CONSULTANCY OPPORTUNITIES

CLIENT: AGRA

Background: AGRA is a proudly African-led institution focused on scaling agricultural innovations that help smallholder farmers towards increased incomes, better livelihoods, and improved food security. We understand that African farmers need uniquely African solutions to the environmental and agricultural challenges they face, enabling them to sustainably boost production and gain access to rapidly growing agricultural markets. In short, AGRA's mission is to transform the lives of smallholder farmers from that of a solitary struggle for survival to a business that thrives.

Since 2006, we have worked with our partners, governments, non-governmental organizations, private sector businesses, and more; to deliver a set of proven solutions to smallholder farmers and indigenous African agricultural enterprises. We put smallholder farmers first on the agenda, recognizing that no country has moved from low income to middle income without agricultural transformation

Objective: The purpose of this general procurement notice is to request firms and individual consultants interested in working with us to express their interest in the different Consultancy opportunities.
